🌸 Image Viewing and Ordering Session

After your session, we'll do a basic edit on your images and upload them to an online proofing gallery. Once you have had the chance look at the photos and choose your favorite poses (number based on session choice), we'll schedule an image viewing and ordering session at our studio. Feel free to bring along family and friends! At our meeting you will receive your proof book, and we'll look at all your photos on the big screen. You will see your favorite images fully retouched, as well as artistic interpretations (black and white, faded color, etc.) on a few select images as well. We'll answer any questions you have and help you with your print and product selections.
